This Agreement shall not automatically extend to new bargaining units for which Local 200 has gained representation or established a representative status through affiliations or service agreements. Said employees covered by the terms and provisions of this CBA are hereinafter referred to as "employee(s)," singular or plural as the context so indicates. The term "employee" as used hereinafter in this agreement refers to a person included in the above defined bargaining unit. Employees are presumed to have either supervisory and/or managerial positions.

I.B. INTENT

4. The purpose of this CBA is to meet the foregoing parties' mutual responsibility to provide the public with dependable, prompt, safe, economical and courteous public transportation, consistent with the requirements, goals and intent of Proposition E (Charter section 8A.100 et seq.). MTA and Local 200 have negotiated this agreement in accordance with Section A8.409, et seq. of the San Francisco City Charter.

CBA BETWEEN THE MUNICIPAL TRANSPORTATION AGENCY OF SAN FRANCISCO
AND TRANSPORT WORKERS' UNION, AFL-CIO, LOCAL 200

6. It is the intent of the parties signatory hereto that the provisions of the CBA, upon ratification by the MTA Board as to those matters within the MTA Board's legal authority, shall bind the MTA as to those matters within the MTA's legal authority employing individuals covered by this Agreement.
7. The terms and conditions of employment for employees covered by this CBA shall be governed by the terms and conditions established by CITY Charter provisions, ordinances of the BOARD of Supervisors and/or the MTA Board of Directors, relevant rules of the CSC, MTA and MUNI, and by the terms and conditions of employment set forth in this CBA.
8. In the event provisions of this CBA are in conflict with the foregoing authorities, provisions of this CBA shall prevail to the fullest extent legally possible. Unless an existing ordinance, resolution, rule or regulation is specifically discussed and changed, deleted, or modified by the terms of this CBA, said ordinance, resolution, rule or regulation shall be deemed to remain in full effect.
9. **Duty to Meet & Confer.** Pursuant to the provisions of the Meyers-Milias-Brown Act, as amended, the MTA agrees to meet & confer, as required by law with Local 200 in advance regarding any proposed changes in working conditions within the scope of representation including but not limited to the bargainable impacts on the supervisors and managers covered by this CBA, including: changes in management structure, the process for the fair and equitable selection of training candidates, the scheduling of operations, reorganization plans, the implementation of AVM/ATCS, staffing, the prioritization of work assignments in the face of cutbacks in staffing, and changes in overtime recording procedures, the inclusion of 9139 and 9140 in capital projects, the acquisition of VDT equipment. The MTA shall attempt to provide any proposed changes to Local 200 in writing within fifteen (15) days before said changes are to go into effect (emergencies excepted). Within five (5) days of the receipt of the notice of proposed changes, Local 200 may request, in writing, a meeting and/or present the Department with any comments and suggestions it may have in writing concerning the proposed changes. The Department shall reply, in writing, within ten (10) days by scheduling a meeting, if so requested by Local 200, and by responding to Local 200's written comments.
10. As provided within the Charter, any matter not resolved by the parties through meet & confer during the term of this Agreement may not be submitted to arbitration. However, if the parties are unable to resolve any differences on the aforementioned issues, either party may request that the matter be considered by the Joint Labor Management Board.
11. The MTA Human Resources Division will be advised of and coordinate, if necessary, all meet & confer and be available to assist so that all provisions in the CBA will be followed.

I.C. NO STRIKE PROVISION

12. The Union and each member of the bargaining unit covenant and agree not to initiate, engage in, cause, instigate, encourage or condone a strike, work stoppage, slowdown, or absenteeism. The Union and each member of the bargaining unit covenant and agree not to

AND TRANSPORT WORKERS' UNION, AFL-CIO, LOCAL 200

engage in any form of sympathy strike including, but not limited to, observing or honoring the picket line of any other union or person.

I.D. OBJECTIVE OF THE MTA AND ESSENTIAL ROLE PERFORMED BY SERVICE-CRITICAL CLASSES IN THE LOCAL 200 BARGAINING UNIT

13. The most efficient, effective and courteous delivery of MTA services is of paramount importance to the MTA and its employees, and is recognized to be a mutual obligation of the parties to this CBA within their respective roles and responsibilities.

I.E. MANAGEMENT RIGHTS

14. All classifications included in the Local 200 bargaining unit are “service critical” as defined by Charter section 8.104(e).
15. The provisions of this MOU shall, in all respects, be interpreted in a manner which furthers the purposes of Proposition E (Charter section 8A.100 et seq., hereafter “Proposition E”). If Proposition E is amended during the term of this Agreement, the parties shall meet and confer to assess whether and to what extent the change in legislation warrants an amendment to this CBA. In addition, except as otherwise and specifically provided in this Agreement, in accordance with applicable state laws, nothing herein shall be construed to restrict any legal MTA rights concerning direction of its work force, or consideration of the merits, necessity, or organization of any service or activity provided by the MTA, including but not limited to .the right to determine the mission of its constituent departments, officers, boards and commissions; set standards of services to be offered to the public; determine the methods, means and personnel by which the MTA’s operations are to be conducted; exercise control and discretion over the MTA’s organization and operations. The MTA may also relieve employees from duty due to lack of work or funds.
16. It is understood and agreed that except as specifically set forth in this agreement the MTA retains all of its powers and authority to manage municipal services and the work for performing those services.
17. The exercise of these rights shall not be subject to the grievance procedure. However, the exercise of such rights does not preclude employees from utilizing the grievance procedure to process grievances regarding the practical consequence of any such actions on wages, hours, benefits or other terms and conditions of employment specified in this Agreement.

I.F. STEWARDS

18. Local 200 may select one steward and/or alternate steward in each department or bureau or facility in which employees covered by this CBA are working. A steward shall only deal with grievances within or related to the steward's department, bureau or facility.
19. Local 200 shall furnish the MTA with an accurate list of shop stewards. Local 200 may submit amendments to this list at any time because of the permanent absence of a designated shop steward. If a shop steward is not officially designated in writing, by Local 200, none will be recognized. When employees are selected, substituted, or replaced as stewards, the

- organization's duly authorized representative shall inform in writing the department head or officer under whom each selected employee member is employed.
20. Local 200 and the MTA recognize that it is the responsibility of the shop steward to assist in the resolution of grievance or disputes at the lowest possible level.
 21. While handling grievances, discipline, or meeting with the MTA representatives concerning matters affecting the working conditions and status of employees covered by this CBA, one shop steward shall be allowed time off during normal working hours to perform such duties without loss of pay; provided, however, that time off for investigation shall be reasonably related to the difficulty of the grievance. No steward shall leave the duty or work station or assignment without specific approval of the employee's department head or other authorized manager. Such release time for the shop steward shall not be unreasonably denied.
 22. If, in the judgment of the supervisor, permission cannot be granted immediately to the shop steward to investigate or present a grievance during on-duty time, such permission shall be granted by the supervisor no later than the next working day from the date the shop steward was denied permission, unless the parties agree to an alternative time.
 23. In handling grievances or disciplinary matters, the shop steward shall have the right to:
 24. Consult with the affected employee regarding the presentation of a grievance after the employee has requested the assistance or presence of the shop steward.
 25. Present to a supervisor a grievance, which has been requested by an employee or group of employees, for resolution or adjustment.
 26. Investigate any such grievance so that such grievance can be properly discussed with the supervisor or the designated representative.
 27. Attend meetings with supervisors or other MTA representatives when such meetings are necessary to adjust grievances or represent employees in disciplinary matters. In scheduling meetings, due consideration shall be given to the operating needs and work schedules of the department, division, or section in which the employees are employed. Release time for the shop steward shall not be unreasonably denied.
 28. In emergency situations, where immediate disciplinary action may be taken because of violation of law or a MTA or departmental rule (theft, etc.), the shop steward shall, if possible, be granted immediate permission to leave his/her post of duty to assist the employee.
 29. Shop stewards shall not interfere with the work of any employee.
 30. Stewards shall receive timely notice of departmental orientation sessions, and shall be permitted to make appearances at departmental orientation sessions, in order to distribute Local 200 materials and to discuss employee rights and obligations under this CBA. Local 200 and the Department may agree to other arrangements for contact between stewards and new employees.

CBA BETWEEN THE MUNICIPAL TRANSPORTATION AGENCY OF SAN FRANCISCO
AND TRANSPORT WORKERS' UNION, AFL-CIO, LOCAL 200

31. Employee Representatives. Pursuant to the Meyers-Milias-Brown Act and Employee Relations Operating Resolution (EROR):
32. A. A reasonable number of officers, stewards and representatives of Local 200 may attend during working hours with no loss of pay, meetings scheduled with representatives of the MTA Appointing Officer for the purpose of meeting and conferring required by law.
33. B. Release time for meetings with MTA on other matters of employer/employee relations shall be limited to matters within the scope of negotiations or matters on which MTA has agreed to meet and consult.

I.G. GRIEVANCE PROCEDURE & THE DISCIPLINE PROCESS

34. In computing the time within which any action must be taken under the grievance and discipline process, Saturdays, Sundays and holidays shall not be counted.
35. The following procedures are adopted by the Parties to provide for the orderly and efficient disposition of grievances and are the sole and exclusive procedures for resolving grievances as defined herein.

Definition.

36. A Grievance shall be defined as any dispute which involves the interpretation or application of, or compliance with this agreement, including discipline and discharge of employees.

Definition and Filing of Grievances for MTA Service Critical Employees:

37. Grievances must be filed in writing on a Union Grievance Form. The grievance will set forth the facts of the grievance, the terms and conditions of the Agreement claimed to have been violated, misapplied or misinterpreted, and the remedy or solution being sought by the grievant. Grievances shall not be effective nor deemed filed unless they are filed with the MTA designated officials. Grievances involving multi-class or multi-mode/division disputes shall be first filed at Step 2.
38. In the event that the Union or the MTA intends to be represented by legal counsel at any meeting in the grievance process, the Union or the MTA shall notify all parties, including the employee and/or his or her counsel, in writing at least two (2) days in advance of the meeting. Notice by either the Union or the MTA of their intent to use legal counsel shall automatically entitle the other to use legal counsel, should they wish to do so. In the event the dispute reaches arbitration, the advance notice requirement will be ten (10) days for purposes of the arbitration.
39. CSC Rule "Carve-outs" are not subject to the grievance procedure nor may be submitted to arbitration.

JULY 1, 2007 - JUNE 30, 2009

Time Limits for MTA Service Critical Employees:

- 40. Time limit extensions shall only be granted in exceptional cases, and must be agreed to in writing between the Union President and the MTA Labor Relations Manager. If MTA fails to meet the time limits at any point in Steps 1 and 2, the grievance shall be granted. If the Union fails to meet the time limits at Steps 1 and 2, the grievance will be withdrawn.
- 41. In grievances involving discipline, the time limits in the grievance procedure shall not be extended due to the absence of the grievant unless the grievant is unable to appear due to a serious, verifiable illness which precludes the grievant from attending a meeting, or is on authorized leave which was approved prior to the proposed discipline.

Economic Claims.

- 42. Any claim for monetary relief shall not extend more than thirty (30) days prior to the filing of a grievance. Though the resolution of disputes outside the Grievance Procedure is desired, it is understood by Local 200 that, in order to preserve its claims for monetary relief, it will file a grievance upon having knowledge of the aggrieved event, and should resolution outside the Grievance Procedure appear probable, request an abeyance of the Grievance Procedure time limits, as set forth above. The MTA will not unreasonably refuse a request for abeyance where settlement of an economic claim appears probable.

Grievance Initiation.

- 43. A grievance affecting more than one employee shall be filed with the management official having authority over all employees affected by the grievance.
- 44. Only Local 200 shall have the right on behalf of a disciplined or discharged employee to appeal the discipline or discharge action.

Steps of the Procedure.

- 45. An employee shall discuss the issue subject to grievance informally with his/her immediate supervisor, provided the issue is not a discrimination or retaliation claim against that supervisor, and try to work out a satisfactory solution in an informal manner as soon as possible, but in no case later than five (5) days from the date of the occurrence of the act or the date the employee might reasonably have been expected to have learned of the alleged violation being grieved or in the event of a Skelly process, no later than five (5) days after the date of the written Skelly decision. The employee may have a Local 200 representative present.

Step 1: (Intermediate/Departmental Level).

46. If the issue is not resolved within seven (7) days after contact with the immediate supervisor, the employee will submit the grievance in writing to the Senior Operations Manager at the Division/Mode where the alleged violation and/or discipline occurred, or a Senior Operations Manager designated by the General Manager / Chief Operating Officer should one not be in place, no later than twenty (20) days after the facts or event giving rise to the grievance. Claims alleging sexual harassment may be filed within four (4) months. The grievance will be submitted on a mutually agreeable grievance form. The grievance will set forth the facts of the grievance, specific provision(s) and/or the terms and conditions of this Agreement claimed to have been violated, misapplied or misinterpreted, and the remedy or solution being sought by the grievant.
47. The Senior Operations Manager shall respond in writing within seven (7) days following receipt of the written grievance.

Step 2: (General Manager / Chief Operating Officer)

48. A grievant dissatisfied with the Senior Operations Manager's response at Step 1 may appeal to the General Manager / Chief Operating Officer, or designee, in writing, within seven (7) days of receipt of the Step 1 answer. The grievance shall contain copies of all earlier correspondence and materials, if any, reviewed at Step 1.
49. The General Manager / Chief Operating Officer, or designee, may convene a meeting within fifteen (15) days with the grievant and the Local 200 representative. The ~~MUNI~~ General Manager / Chief Operating Officer, or designee, shall respond in writing within fifteen (15) days of the meeting or receipt of the grievance, whichever is later.

Step 3: (MTA Human Resources Director).

50. A grievant dissatisfied with the General Manager / Chief Operating Officer's response at Step 2 may appeal to the MTA Human Resources Director, or designee in writing, specifying the reason(s) why Local 200 is dissatisfied with the Step 2 response, within fifteen (15) days of receipt of the Step 2 answer. The grievance shall contain copies of all earlier correspondence and materials reviewed at the earlier steps. The MTA Human Resources Director or his or her designee, who has not been involved with the Grievance at Step 1 or 2, may convene a grievance meeting within fifteen (15) days with the grievant, and/or Local 200.
51. 1). Disciplinary Grievances. MTA Human Resources Director or designee, who has not been involved with the Grievance at Step 1 or 2, shall have fifteen (15) days after the receipt of the written grievance or if a meeting is held, fifteen (15) days after the meeting, whichever is later, to review and seek resolution of the grievance and respond in writing.
52. 2). Contract Grievances. MTA Human Resources Director or designee, who has not been involved with the Grievance at Step 1 or 2, shall have thirty (30) days after the receipt of the written grievance, or if a meeting is held, thirty (30) days after the

JULY 1, 2007 - JUNE 30, 2009

meeting, whichever is later, to review and seek resolution of the grievance and respond in writing.

Arbitration Step 4.

53. If Local 200 is dissatisfied with the Step 3 response it may appeal by notifying MTA Human Resources Director, or designee, in writing, within thirty (30) days of its receipt of the Step 3 response that arbitration is being invoked.

Selection of Arbitrator – Non-Expedited

54. a. When a matter is appealed to arbitration the parties shall first attempt to mutually agree on an arbitrator. In the event no agreement is reached within five (5) days, the arbitrator shall be selected from a panel obtained through the State Mediation and Conciliation Service by alternately striking names from the list supplied by the SMCS. All members of the panel shall be members of the National Academy of Arbitrators.
55. b. The parties shall make every effort to schedule a hearing date within twenty (20) days.

Expedited Arbitration.

56. The parties agree to establish a panel of five (5) acceptable arbitrators who will handle expedited arbitrations sequentially. The Union shall request in writing that the expedited arbitration process be utilized. Within seven (7) days of receipt of a written request from the Union, the MTA shall canvass the panel for arbitrator availability sequentially and schedule the arbitration. In no event shall the arbitration be scheduled to take place in less than ten (10) days from the day of selecting the available arbitrator.
57. Authority of the Arbitrator (both regular and expedited). The decision of the arbitrator shall be final and binding, unless challenged under applicable law. The arbitrator shall have no authority to add to, ignore, modify or amend the terms of this Agreement.
58. Costs of Arbitration. The direct expenses of the arbitration including the fees and expenses of the arbitrator shall be borne and shared equally by the parties. The costs of a court reporter and the transcription of the proceeding, if any, shall be paid by the party requesting such, unless requested by the arbitrator, which will then be borne and equally shared by the parties. In the event that an arbitration is canceled resulting in a cancellation fee, the party initiating the request or causing the cancellation shall bear the full cost of the cancellation fee, unless the parties agree otherwise, which shall not be unreasonably withheld.
59. Date of Award. Awards shall be due, in writing, within forty-five (45) days following the receipt of closing arguments. As a condition of appointment to the permanent panel, arbitrators shall be advised of this requirement and shall certify their willingness to abide by these time limits.

CBA BETWEEN THE MUNICIPAL TRANSPORTATION AGENCY OF SAN FRANCISCO
AND TRANSPORT WORKERS' UNION, AFL-CIO, LOCAL 200

The Discipline Process.

60. The MTA shall have the right to discipline any non-probationary permanent employee, temporary civil service employee, or provisional employee upon completion of twelve (12)-months service, for just cause.
61. As used herein "discipline" shall be defined as written reprimands, written warnings, discharge, suspensions and disciplinary demotion. A change of work assignment, either to or from a particular assignment, may not be made solely for disciplinary purposes.
62. Any Local 200 employee assigning a classification 9163 Transit Operator to perform the work of a 9139 Transit Supervisor shall be subject to disciplinary action, except as provided under Article II.C. (paragraph 107)., herein.
63. Employees who are released or disciplined during their initial probationary period or during any probationary period established by this CBA, may appeal the release or discipline provided that the grounds for the grievance or appeal shall be limited to a claimed violation of Article II.A. In such an appeal the employee shall bear the burden of proof with respect to the claimed violation.
64. No interview of an employee that may result in disciplinary action or at which discipline is to be imposed will be undertaken unless the employee is first advised of his/her right to representation. If requested by the employee, such representation must be secured within the succeeding twenty-four (24) hour period, excluding holidays and weekends. If the employee does not secure representation within such period, the right is waived.
65. Written reprimands, written warnings, suspensions, disciplinary demotions and discharges of non-probationary permanent employees, temporary civil service employees, or provisional employees with twelve (12)-months service, shall be subject to the following procedure:
 66. a. The basis of any proposed discipline shall be communicated in writing to the employee and to Local 200 no later than eighteen (18) days after management has attained findings on the event or occurrence which is the basis of the discipline, or the offense will be deemed waived. A charge against an employee shall contain the precise offense with which the employee is being charged.
 67. b. Except in emergency situations, where immediate disciplinary action must be taken because of a violation of law or a CITY or department rule (theft, *etc.*), no disciplinary action can be taken without first providing the employee and Local 200 with the written charges and the materials upon which the charges are based.
 68. c. The employee and her/his representative shall be afforded a reasonable amount of time to respond, either orally at a meeting ("Skelly meeting"), or in writing, to the management official designated by the MTA to consider the reply. Should the employee and her/his representative elect to respond orally at a Skelly meeting, the

CBA BETWEEN THE MUNICIPAL TRANSPORTATION AGENCY OF SAN FRANCISCO
AND TRANSPORT WORKERS' UNION, AFL-CIO, LOCAL 200

Department will notify the parties, in writing, at least five (5) days in advance of the meeting, unless mutually agreed otherwise by the parties. Local 200 shall have the right to be present at the Skelly meeting. The employee and her/his representative may present any relevant oral/written testimony and other supporting documentation as part of her/his response.

69. Individuals who may have direct knowledge of the circumstances relating to the discipline may be present at the request of either party at the meeting if the parties agree that the individuals' participation will facilitate an appropriate outcome. In the case of MTA employees giving relevant oral testimony, they shall be compensated at an appropriate rate of pay for time spent.
70. d. The employee shall be notified in writing of the decision based upon the information contained in the written notification, the employee's statements, and any further investigation occasioned by the employee's statements. The employee's representative shall receive a copy of this decision.
71. e. Progressive Discipline: For most offenses, management is expected to use a system or progressive discipline under which the employee is given increasingly more severe discipline each time an offense is committed. Management is not bound by progressive discipline in cases of serious offenses where no specific warning or prior disciplinary action need precede separation for cause. A common pattern may include oral warning, written warning, suspension, and finally, separation for cause.

I.H. DUES DEDUCTION / AGENCY SHOP

72. The Appointing Officer or its designee may reassign persons at any time based on these criteria.

129. The MTA Department of Human Resources is hereby authorized to adjust the salary and anniversary increment date of any employee promoted from one class to a higher classification who would receive a lesser salary than an employee promoted at a later date to the same classification from the same salary step in the same base class from which the promotional examination was held.
248. b. Salary Increase in Next Lower Rank. When a classification that was formerly a next lower rank in a regular civil service promotional examination receives a salary grade higher than the salary grade of the classification to which it was formerly promotive, the MTA Department of Human Resources shall authorize a rate of pay to an employee who was promoted from such lower class equivalent to the salary he/she would have received had he/she remained in such lower class, provided that such employee must file with the MTA Department of Human Resources an approved request for reinstatement in accordance with the provisions of the Civil Service Commission rule governing reinstatements to the first vacancy in his/her former classification, and provided further that the increased payment shall be discontinued if the employee waives an offer to promotion from his/her current classification or refuses an exempt appointment to a higher classification. This provision shall not apply to offers of appointment which would involve a change of residence.
249. The special rate of pay herein provided shall be discontinued if the employee fails to file and compete in any promotional examination for which he/she is otherwise qualified, and which has a compensation grade higher than the protected salary of the employee.
250. c. Continuation of Salary Step Plan Earned Under Temporary Appointment. When an employee is promoted under temporary appointment to a higher classification during a prior fiscal year and is continued in the same classification without a break in service in the current fiscal year, or is appointed to a permanent position in the same classification, such appointment shall be in accordance with the provisions of this agreement, provided that the salary shall not be less than the same step in the salary grade the employee received in the immediately prior temporary appointment.
251. d. Credit for Temporary Service. A temporary employee, one with no permanent status in any class, certified from a regular civil service list who has completed six months or more of temporary employment within the immediately preceding one year period before appointment to a permanent position in the same class shall be appointed at the next higher step in the salary grade and to successive steps upon completion of the six months or one year required service from the date of permanent appointment. An employee who has completed the probationary period in a promotive appointment that is two or more steps higher in an occupational series than the permanent position from which promoted and who is subsequently laid off and returned to a position in an intermediate ranking classification shall receive a salary based upon actual permanent service in the higher classification, unless such salary is less than the employee would have been entitled to if promoted directly to the intermediate classification. Further increments shall be based upon the increment anniversary date that would have applied in the higher classification.
256. d. Reemployment in a Formerly Held Class. An employee who has completed the probationary period in an entrance appointment who is laid off and is returned to a classification formerly held on a permanent basis shall receive a salary based upon the original appointment date in the classification to which the employee is returned. An employee who is returned to a classification not formerly held on a permanent basis shall receive a salary in accordance with this agreement.

CBA BETWEEN THE MUNICIPAL TRANSPORTATION AGENCY OF SAN FRANCISCO
AND TRANSPORT WORKERS' UNION, AFL-CIO, LOCAL 200

- 267. An employee who wishes not to supplement, or who wishes to supplement with compensatory time or vacation, must submit a written request to the Appointing Officer or designee within seven (7) calendar days following the first date of absence. Disability indemnity payments will be automatically supplemented with sick pay credits (if the employee has sick pay credits and is eligible to use them) to provide up to the employee's normal salary unless the employee makes an alternative election as provided in this section.
- 268. Employee supplementation of workers compensation payment to equal the full salary the employee would have earned for the regular work schedule in effect at the commencement of the workers compensation leave shall be drawn only from an employee's paid leave credits including vacation, sick leave balance, or other paid leave as available. An employee returning from disability leave will accrue sick leave at the regular rate and not an accelerated rate.
- 269. Salary may be paid on regular time-rolls and charged against the employee's sick leave with pay, vacation, or compensatory time credit balance during any period prior to the determination of eligibility for disability indemnity payment without requiring a signed option by the employee.

Where appropriate modified duty is not available within the employee's classification, on the employee's regular shift, and in the employee's Department, the employee may be temporarily assigned pursuant to this section to work in another classification, on a different shift, and/or in another Department, subject to the approval of the Appointing Officer or designee. The decision to provide modified duty and/or the impact of such decisions shall not be subject to grievance or arbitration. Modified duty assignments may not exceed three (3) months. An employee assigned to a modified duty assignment shall receive their regular base rate of pay and shall not be eligible for any other additional compensation (premiums) and or out of class assignment pay as may be provided under this agreement.

308. For health and safety matters of immediate concern, the JLMB, at the call of either party, shall designate a Joint Safety Committee (hereafter termed "JSC") composed of one person appointed by Local 200 and one person appointed by the Appointing Officer, or its designee. The JSC shall meet within five (5) days of the call of the JLMB. If one party refuses or fails to meet when a meeting is called, the other party may proceed with the selection of an independent, neutral committee member, who shall be knowledgeable in the field of health and safety and who shall serve as chairperson, and the JSC shall commence its activities. The cost of the independent chairperson shall be split between Department and Local 200. The JSC shall consider and propose action on any aspect of Department operations affecting the health and safety of employees covered by this CBA. If any action proposed by a majority of the members of the JSC is not implemented, subject to the budgetary and fiscal provisions of the Charter, the JSC is authorized to take reasonable steps to publish, at Department's expense, its findings and proposed action.

The Defect Reporting form, as mutually developed by the parties, shall be used by the street supervisor for the chronicling of vehicle defects. Each street supervisor who uses any MTA vehicles will be responsible for filling out a daily defect form regardless of whether a defect is noted or not. Group Managers or their designees will be responsible for reporting defects to Equipment Maintenance for corrective action. Group Managers will also be responsible for keeping records on defects and when the problem is corrected. Supervisors will not be required to operate vehicles with critical defects and should be assigned another vehicle. Both parties agree that priority for new Operations Division vehicles shall be given to the groups for street management. No vehicles shall be sent out on the street after 6:00 p.m. without working heaters and defrosters. Local 200 will receive a copy of the maintenance status report of the defect cards.

C. PAY STATUS DURING VOLUNTARY SELF-REFERRAL TREATMENT (VOLUNTARY SUBSTANCE ABUSE PROGRAM)

- (1) An employee who has a drug and/or alcohol abuse problem and has not been selected for drug and/or alcohol testing can voluntarily refer him/herself to the EAP for treatment. The EAP will evaluate the employee and make a specific determination of appropriate treatment. An employee who has completed two rehabilitation programs may not elect further rehabilitation under this program.
- (2) In the case of the up to two voluntary, employee-initiated referrals, the MTA will pay the employee the difference between his/her SDI benefits, use of accrued paid leaves, and any catastrophic illness benefits, and the employee's regular hourly base pay, for up to the eight hours per day for full-time employees and up to three hours per day for part-time employees, up to a maximum of 21 work days during a five-year period. This provision shall not apply in the event the employee does not receive SDI benefit payments or during the follow-up period established by the SAP after a positive test.

D. NON-PAID STATUS DURING TREATMENT AFTER POSITIVE TEST

The employee will be in a non-pay status during any absence for evaluation or treatment, while participating in a rehabilitation program.

E. EDUCATION AND TRAINING

The foundation of this Program is education and voluntary compliance. It is recognized that alcohol and chemical dependency may make voluntary cessation of use difficult, and one of the Program's principal aims is to make voluntary steps toward ending substance abuse easily available.

The outside contractor shall review and develop on-going educational and training information on the adverse consequences of substance abuse and the responsibility to avoid being under the influence of alcohol or chemicals at work. Certain training required by the DOT Regulations shall be the responsibility of the Substance Abuse Program.

F. CONFIDENTIALITY

Participation in the EAP shall be confidential and shall be conducted in accordance with DOT and DHHS standards.

G. FUNDING

The Employee Assistance Program and the Peer Assistance Oversight Committee shall be funded by the MTA.
