RE: Rule 5.G.4, Vehicle Age
DATE: August 6, 2008

Attached please find a Resolution amending Rule 5.G.4. Due to my absence from the office in June for a few days, I was unable to provide the Commissioners with the most updated version of the resolution which should have been passed on June 24, 2008. An earlier version was included with the packet.

This amendment merely clarifies that Calendar Year 2008 maintains the status quo with regards to vehicle age.
