

At its regular meeting on September 4, 2012, the SFMTA Board will hold a hearing to consider authorizing the issuance of new taxi medallions that would be leased to color scheme permit holders for a fixed term. The SFMTA will consider issuance of between 150 and 200 such medallions, but could decide to issue no new medallions, fewer than 150 new medallions, or more than 200 new medallions.
