

**PUBLIC TRANSPORTATION COMMISSION
CITY AND COUNTY OF SAN FRANCISCO**

RESOLUTION NO. 98 - 089

WHEREAS, The Department of Public Transportation, FTA issued Drug and Alcohol Testing Rules, requiring recipients of federal assistance to have an ongoing operating drug and alcohol testing and employee education/training program; and

WHEREAS, Failure by the Public Transportation Department to comply with this ruling will jeopardize continued receipt of federal assistance; and

WHEREAS, Public Transportation Commission has approved a policy statement against drug and alcohol use in the work place; and

WHEREAS, The analysis of urine specimens for drugs is a requirement stated in the FTA rules; and

WHEREAS, The three-year contract with the current vendor is set to expire; NOW
THEREFORE BE IT

RESOLVED, That this Public Transportation Commission hereby authorizes the Director of Public Transportation to request proposals, interview, select, and recommend to the Commission a firm to collect urine specimens and conduct alcohol testing for the Public Transportation Department's Substance Abuse Program.

I hereby certify that the foregoing resolution was adopted by the Public
Transportation Commission at its meeting of OCT 27 1998

Secretary, Public Transportation Commission
