THIS PLAN IS FOR THE MEDALLIONS  
RETURNED EVERY YEAR AND IT WILL NOT  
EFFECT CURRENT MEDALLION OWNERS.  
MEDALLION 4 YEAR ROTATION

If the drivers are given medallion for 4 years only, the number of  
Medallions available to the drivers will be as follows:

2008	30
2009	30
2010	30
2011	30
2012-2015	60 each year
2016-2019	90 each year
2020-2023	120
2024-2027	150
2028-2031	180
2032-2035	210
2036-2039	240
2040-2043	270
2044-2047	300
2048-2051	330
2052-2055	370

370 medallions changing hands every year will be enough to cover  
1410 drivers every four year. This will create a chance for each  
driver every 16 years or less (due to the departure of 50 % drivers  
during this period) to hold a medallion for 4 year.

without effecting the current stakeholders

This is the biggest shortcut to help each driver and share equally .
