DRIVE CAREFULLY DRESS NEATLY BE COURTEOUS

DECLARATION OF ADNAN ATSHAN

1. I am over the age of 18 and not a party to this action, and I am a citizen of the United States. The statements below are from my own personal knowledge and if called to testify I could competently testify thereto.

2. My name is Adnan Atshan, and my business address is 555 Selby Street, San Francisco, CA 94124. I am a ramp medallion holder, # 9070, and I am affiliated with DeSoto Cab, where I have been working since 1994 off and on. I received my medallion in December 2005 by decision of the Taxi Commission. In that capacity, and as part of my regular duties, I am responsible for complying with the Taxi Commission's Rules and Regulations and applicable provisions of the Municipal Police Code, including specifically Article 16, which governs motor vehicles for hire.

3. In 2006, I was driving for DeSoto Cab for the entire year. I was driving # 9070, my medallion vehicle. I had other drivers driving for me, including Andrew "Andy" Sinaiko. I also had another driver, "Youssef." I normally worked day shifts, 4 AM to 4 PM, but on Fridays, I worked until 8 PM. I took Saturdays off, but sometimes I also worked seven days a week. Mr. Sinaiko worked 8 PM to 6 AM on Friday evenings. Sometimes he worked Sundays 6 PM to 4 AM. Those were the only shifts he worked. I don't recall the exact date he started, but I can provide that information if necessary. I believe it was early 2006. Friday and Sunday nights are the only shifts Mr. Sinaiko was driving for me in Calendar Year 2006.

4. In Calendar Year 2007, Mr. Sinaiko drove only the same shifts for me: Friday and Sunday nights.

5. Sometime in 2007, I had a conversation with Mr. Sinaiko. He said he was almost ready to get a medallion, and he wanted to get one. He said he was having a "hard time" with waybills and might be short on them for 2006. He asked me if I could "help him out." I asked what I could do,

1 and he said he wanted to "look at my waybills" so he can look at the mileage. At that time I
2 believed he was going to look at them to copy them to meet his requirements. I showed him
3 waybills for the entire calendar year of 2006. I requested them from a manager at DeSoto and once I
4 received them, I left them in an envelope for him at the cashier's side of the dispatch area. He
5 picked them up and then he brought them back. After he reviewed them, he thanked me for helping
6 him out. I gave them to him because I felt that I had to say yes and help him out, because I was
7 embarrassed and felt like I could not say no. I kept telling myself I should not have done it.

8
9 6. Other people who are coming up on the waiting list have asked me for help of this nature in
10 the past, since 2005 when I first received my medallion. They wanted to see my waybills and copy
11 them so they could get a medallion. I have always refused their requests.

12 7. On or about July 2008, Mr. Sinaiko told me he was having problems at the Commission and
13 that the Commission believed he had copied waybills and that they were fraudulent. He told me he
14 had hired an attorney and that he was trying to get the medallion. I asked him if he thought he was
15 going to get the medallion. He said he didn't know and wasn't sure.

16
17 8. Since I gave him my waybills to copy, I have felt very guilty about what I did. I have never
18 participated in anything like this before. I feel very bad that I misled the Commission and the public
19 and I promise I will never be involved in anything like this again. I love working as a ramp driver
20 and I sincerely enjoy my work serving the disabled community.

21
22 9. I declare under penalty of perjury under the laws of the State of California that the
23 foregoing is true and correct.

24 Signed:

**DECLARATION OF CINDY WARD RE: ANDREW SINAIKO MEDALLION
APPLICANT, LIST NO. 6-500.**

I, Cindy Ward declare:

1. I am the General Manager of the DeSoto Cab Company ("DeSoto") and held this position and have held this position since prior to the year 2006.

2. Andrew ("Andy") Sinaiko has been a dispatcher on the graveyard shift for DeSoto for many years and has fulfilled a vital function for DeSoto and its drivers. In late 2005 or early 2006, Mr. Sinaiko requested that he be given partial leave from his dispatching duties in order to drive full time in 2006 to qualify for his taxi medallion. Because DeSoto did not at that time have a ready backup dispatcher for Mr. Sinaiko's shift, I asked Mr. Sinaiko to continue to perform his dispatching duties to the extent possible and limit his driving in 2006 to the minimum number of shifts necessary to fulfill the full-time driving requirement. As a result of my request, Mr. Sinaiko continued to perform his dispatching duties on Monday through Thursday nights, while driving Friday and Sunday nights, with Saturday nights off.

3. In late 2007 or early 2008, when I became aware that Mr. Sinaiko's medallion application was under consideration, I encouraged him to review his waybills to make sure that they were in order. I did this because the Taxi Commission recently had emphasized that waybills were to be complete, and had begun a process of auditing medallion holders and issuing admonishments for non-compliance. I would not have, and did not, encourage Mr. Sinaiko to falsify any information or to fabricate any waybills. As a taxi driver myself, however, I know how easy it is to omit required information in the press of the moment. I am aware that Mr. Sinaiko has stated that in a few instances, he copied meter readings after the fact from the waybills of the medallion holder for whom he drove in 2006. While as General Manager I would not encourage this practice, I do not consider this alone to be a fabrication or falsification of information, as in most instances, the ending meter readings of the previous driver should match the beginning readings of the successor driver and vice versa, such that the information Mr. Sinaiko obtained would be merely that which would have been reflected on the taxi meter at the time.

Under penalty of perjury, I declare the foregoing to be true and correct.

Executed at San Francisco, California, this 9th day of October, 2008

Cindy Ward
