

Summary of Recommendations for 2 Clement:

- No route changes proposed.
- Supplemental trolley coach service would be added between Downtown (Sansome/Market streets) and Presidio Avenue to maintain current transit frequencies on Sutter and Post streets after replacing the discontinued 3 Jackson route on this segment.
- 2 Clement Service Variant proposes an alternative alignment that would use existing overhead wires for trolley coach service on the entire Sutter Street corridor. Instead of operating on Clement Street from Arguello Boulevard to Park Presidio Boulevard, the alignment would continue on California Street to Eighth Avenue south to Clement Street to Sixth Avenue. This service variant would include a terminal loop at Sansome Street in the Downtown area.
