

Summary of Recommendations for 49L Van Ness/Mission (New Route):

- No route changes proposed.
- To provide shorter travel times, proposed service would make local stops (as proposed in the Van Ness BRT project) on Van Ness Avenue and on Ocean Avenue and make limited stops on Mission Street.
- The 49L Van Ness-Mission Limited would follow the current 49 Van Ness-Mission route.
- The TTP1.1 Persia Triangle Improvements would construct two new transit zones with transit bulbs along Ocean Avenue for the 49L Van Ness-Mission Limited.
