

Reroute 108-Treasure Island from Avenue M to Avenue H

Eliminate Segment South of Transbay Terminal

Current Service: Operates between Treasure Island and the Transbay Terminal 24 hours every day, and between the Transbay Terminal and 4th/King streets Caltrain Station from 2 p.m. – 10 p.m. every day.

Recommendation: Eliminate segment between Transbay Terminal and Caltrain; adjust route on Treasure Island from Avenue M to Ave H.

Alternative Service: N-Judah and T-Third lines provide service near the temporary Transbay Terminal, scheduled to open in fall 2009, between Embarcadero Station and Caltrain.
