

Eliminate Segment on Union Street between Lyon and Steiner Streets

Change from 40-Foot to 60-Foot Articulated Buses on Remainder of Route

Current Service: Operates between Lyon Street and the Financial District during weekday a.m. and p.m. peak periods in both directions.

Recommendation: Eliminate segment on Union Street between Lyon and Steiner streets and change from 40-foot to 60-foot articulated buses to address crowding.

Alternative Service: 45-Union/Stockton provides service along Union Street between Lyon and Steiner streets.

Proposed Service Changes 41-Union
