

Current Service: 21-Hayes operates on Fulton between 6th Avenue and Stanyan Street and then travels to Downtown via Hayes and Market streets. 5-Fulton operates between Ocean Beach and Downtown every day.

Recommendation: Eliminate segment of 21-Hayes on Fulton Street between 6th Avenue and Stanyan Street. Modify 5-Fulton during peak periods to address current crowding and additional customers that may shift from the outer segment of 21-Hayes.

Alternative Service: 5-Fulton provides service on Fulton Street between 6th Avenue and Downtown.
