

Options 2 and 3

Eliminate 18-46th Avenue Segment along Point Lobos Avenue and Geary Boulevard

Eliminate Ocean Beach Segment of 38-Geary; Provide Service with a Modified 18-46th Avenue

Current Service: 38-Geary operates between the Richmond District and Downtown with three different terminals in the Richmond District. The Ocean Beach Branch of the 38-Geary operates 24 hours every day. 18-46th Avenue operates between the Legion of Honor and Stonestown every day.

Recommendation: Eliminate Ocean Beach Branch of 38-Geary. Alternating 38-Geary buses would run between Fort Miley and Downtown and between 33rd Avenue and Downtown. Eliminate segment of 18-46th Avenue from Point Lobos Avenue and Geary Boulevard and reroute 18-46th Avenue along the discontinued Ocean Beach routing of 38-Geary. During owl period, operate 38-Geary to Point Lobos Avenue.

Alternative Service: 18-46th Avenue replaces service along the Ocean Beach routing of 38-Geary. 31-Balboa provides service between Ocean Beach and Downtown. 38-Geary and 38L-Geary Limited provide service on Point Lobos Avenue and Geary Boulevard west of 33rd Avenue.

Proposed Service Changes 38-Geary, 18-46th Avenue

- Segment Proposed for Modified Structure
- Segment Proposed for Elimination - (38-Geary)
