This three percent (3%) limit is contingent on SFMTA meeting the standard of ninety-eight and one-half percent (98.5%) of scheduled service being delivered. If SFMTA does not meet this standard for any quarter, then no more than one percent (1%) of the Operators in any division will be permitted to take floating holidays on the same day during the following quarter, and the limit shall remain at one percent (1%) until SFMTA meets the 98.5% standard. The union's appeal to the SFMTA may concern only matters of health or safety hazard to Operators. If the arbitrator rules that the schedule change was or is a hazard to the health or safety of Operators, management shall immediately modify the schedule as ordered by the arbitrator and shall pay such penalty pay to the Operators involved as determined by the arbitrator. Both parties will cooperate to expedite the presentation of the case to the arbitrator.~~

This determination shall not be subject to the grievance procedure. The number of full-time Operators (Available Operator Force), shall be at least one hundred twenty percent (120%) of the number of scheduled runs plus blocks, as determined at each General Sign-up, Division Sign-Up, or Division Sign-Up For Service Needs. If the Available Operator Force falls below one hundred twenty percent (120%) of the number of scheduled runs plus blocks for more than thirty days after the first day of a Sign Up, SFMTA shall initiate the process of training and hiring sufficient full-time Operators to attain the one hundred twenty percent (120%) Available Operator Force.

146. 2. At the time of any bid, Operators who are on any leave of absence known to be for a period in excess of two (2) work weeks from the effective date of the bid will bid only division locations. Operators on any leave of absence in excess of fourteen (14) days may not bid. Upon their return they will be placed on the extra board.

~~(a) If a run is changed by 30 minutes or less, the proposed change will be discussed by the Union and the Traffic and Schedule Department not less than 48 hours before the adjustment is to be put into affect, and may then be adjusted;~~

~~(b) if the run or runs affected are changed by more than 30 minutes, not more than 10 runs may be changed over the term of this MOU, and in such cases,~~

~~(i) the Operators may be reassigned to the division extra board, but such reassignment may not change the Operator's days off or hours of work by more than one hour, and the Operator shall carry his/her seniority to the extra board, and~~

~~(ii) Any Operator so reassigned will be paid the higher of his/her original run pay or the new run pay, plus \$1.00 additional per hour, and~~

151. ~~149.—If service is down on any street car rail line or trolley coach route due to equipment or facilities failure, SFMTA may, in its sole discretion, reassign Operators to the extra board at their home division or platform for the length of the outage, and such outage continues for two days or longer, or if any time there is a failure of the cable machinery, or other occurrence rendering the cable cars inoperative, regardless of length, notwithstanding any other limitations on reassignment, Operators or other platform employees working the affected runs may be reassigned to the extra board at any division for the length of the outage. The following conditions shall apply in the event this section is implemented:~~

~~—————(a) The Operators to be reassigned and the choice of reassignments shall be determined by inverse seniority. The Operator shall carry to his reassignment his system seniority when assigned to an extra board.~~

~~—————(b) Operators reassigned shall receive their run pay or the pay on the run to which they are reassigned, whichever is higher.~~

~~—————(c) Any Operator who is not eligible for a class 2 chauffeurs license will be given alternative work not requiring a class B license, but if the alternative assignment does not provide more than eight hours per day, the Operator shall receive eight hours pay per day rather than his run pay.~~

If a relief Operator is not immediately available to make the relief, SFMTA may direct the Operator to complete the trip as long as the Operator will not exceed the maximum driving hours.

Section 14.11 Runs Subject to Daily Reassignments (SDR)

155. In order to meet the needs of service and reduce multiple headways SDR runs will be designated in each Division. The SDR runs will be selected for each sign-up from the priority list. The number of SDR runs per division are as follows:

ARTICLE 15. ~~————~~ SIGN-UPS

~~Section 15.1~~

~~————~~ The parties agree that force levels and stability of runs are factors in sign-up problems (e.g. disruption of operations). If after the next two sign-ups following the ratification of this MOU, there has been an opportunity to experience the force level and stability effect, and there is still a problem with sign-ups, the sign-ups may be shifted to evenings or Saturdays

~~Section 15.2~~

If an Operator is temporarily moved from his/her division for the needs of service, under a provision of the contract allowing such a move, the Operator will continue to qualify for the premium.~~

~~An Operator who leaves his/her location as a result of a sign-up must start over to build the five (5) consecutive year qualifying requirement at the new location.~~

~~Employees who meet the criteria of an "Expert Operator" shall be granted a premium of fifty cents (\$.50) per hour.~~

~~No changes shall be made in methods of operation in the Muni-Metro which affect Operator working conditions without meeting and conferring between the Union and Management.~~

~~Section 16.3 Work Past Relief Time~~

If an employee is not immediately available to make a relief, Central Control, Inspector, or other person in authority may order the employee to continue in service for a maximum of one and one-half hours. If a relief is not assigned in that time period, the employee may "lay up" the car at the Embarcadero Station after calling Central Control by radio or telephone. Section 16.7 Proof of Payment Program

~~The Proof of Payment program on Breda cars in revenue service may be modified to include the operation with one Operator of up to three (3) cars in the tunnel providing additional service and of two (2) cars per train in revenue service on the street. Customer service complaints involving prohibited discrimination or access rights shall not be subject to the provisions of this section.

Definition of Preventable or Non-Preventable

225. SFMTA shall classify the collision or incident as preventable or non-preventable by applying the National Safety Council's Safe Driver Award Program definition in effect on July 1, 2011. If the Operator has no other preventable accidents during that period, the current accident will be referred to the Division Superintendent.
230. 3. The Division Superintendent, in the presence of a Union Chairperson, will review the accident with the Operator. The Superintendent may change the original grading based upon information the Operator or the union provides at the review. If the accident is deemed preventable at the conclusion of the review, no discipline will be attached to that minor accident.

231. 4. If the Operator has no other preventable accident in the twelve (12) month rolling period preceding the current accident, the Superintendent will determine whether this review is sufficient to assist the Operator in preventing future accidents.
232. 5. If the Superintendent determines that re-training is necessary, the Operator will be sent for retraining. SFMTA will determine the extent and content of the training.
233. 6. The decision of the Superintendent for minor accidents not referred for discipline is not subject to further review.
234. 7. If the Operator has one or more preventable accidents in the twelve (12) month period preceding the current accident, the current accident will be graded by the TSP, who will determine if the accident is preventable or non-preventable.
235. If the TSP determines the accident was preventable, the accident will then be referred to the Chief Safety Officer for review. If the Chief Safety Officer upholds the determination of preventability, the Division Superintendent, in the presence of a Union Chair, will review the accident. If the Division Superintendent determines that discipline is appropriate, the matter will proceed through the discipline process.

Procedure For Major Accidents

236. 1. For major accidents, the assigned TSP will grade the accident as preventable or non-preventable.
237. 2. If the accident is graded preventable, the Division Superintendent in the presence of a Union Chair, will review the accident.

~~22 ☐ A notice of the proposed action;~~

~~☐ The reasons for the proposed discipline;~~

~~☐ A copy of the charges and the materials upon which the action is based; and~~

~~☐ The right to respond, either orally or in writing, to the authority initially bringing charges.~~

~~— The SFMTA recognizes the rights of employees and/or the Union, who may consider themselves aggrieved by any discipline proposed, to raise such grievance through the authorized grievance procedure.~~

Section 23.2 Notice of Proposed Discipline

~~Except in cases of an Operator reporting to work or operating a MUNI vehicle while under the influence of an alcoholic beverage or any drug, or under the combined influence of an alcoholic beverage and any drug, the unlawful use or possession of a drug or alcoholic beverage, mishandling of funds, vicious conduct, or serious willful abuse of MUNI equipment, any discipline proposed must be preceded by a charge in writing communicated to the individual employee and the Union simultaneously. In the case of the major offenses mentioned above, the charge shall be communicated to the individual employee and the Union as soon as possible. A charge against an employee shall contain the precise offense with which the Operator is being charged and the specific rule the Operator has been alleged to have violated. Failure to cite the specific rule(s) will result in the charge being waived. The charge must be communicated to the employee and the Union not later than 14 calendar days after MUNI had knowledge of the event or occurrence charged or the offense will be deemed waived.~~

Section 23.3 Timing of Discipline

~~If an employee raises a grievance in connection with any proposed discipline, except in cases of an Operator reporting to work or operating a MUNI vehicle while under the influence of an alcoholic beverage or any drug, or under the combined influence of an alcoholic beverage and any drug, the unlawful use or possession of a drug or alcoholic beverage, mishandling of funds, vicious conduct, or serious willful abuse of MUNI equipment, the discipline will not be carried out unless, at the conclusion of the grievance procedure, it is determined that the discipline is appropriate.~~

Memorandum of Understanding Between
Transport Workers Union, Local 250-A (9163) and Municipal Transportation Agency
July 1, 2011 – June 30, 2014

~~If, during the grievance procedure, an extension is requested by the Union, the employee shall be "Off the Clock" for the period of the extension and until the next available hearing or meeting date at the appropriate step in the grievance procedure. If the extension is requested by management, the employee shall remain "On the Clock".~~

~~After the expiration of one year after the imposition of discipline, no reference may be made to that entry in any future disciplinary proceeding.~~

~~Section 23.4 Passenger Service Reports, (PSRs)~~

~~(a) The parties acknowledge the list of Major PSR's currently in use, and which are attached as an Appendix to this agreement. MUNI may modify the list of major PSR's upon 14 days notice to the union, subject to the requirements of Meyers, Milias Brown Act.~~

~~(b) Minor PSRs will be discussed with the Operator and filed for a period of 12 months with no record entry made. When an Operator has received a total of five minor reports within the previous 12 months or three minor reports of a similar nature within the previous 12 months, the operator will receive a formal warning, to be entered on the personnel record, that, the next PSR received will be treated as a major report.~~

~~(c) After a finding by the department against an Operator based on a Major or sufficient number of Minor PSR's as described above, the findings shall be referred to a hearing officer to be selected by the Executive Director/CEO or his/her designee.~~

~~(d) Before an Operator is suspended or terminated as a result of a major passenger service report, the Operator shall have the right to be heard and the right to face his or her accusers or witnesses subject to (e) below, and may be accompanied by a Union Representative at the hearing. Hearings shall be held at a MUNI leased or owned property convenient to complainant and witnesses, and shall be scheduled at a time when complainant, witnesses and the Operator can attend. The complainant shall have the right to be present throughout all phases of the hearing except for the hearing officers final determination.~~

~~(e) If a hearing is scheduled at a time when the Operator can attend, and if the Operator has been properly notified and proper arrangements made for relief, and the Operator fails to appear at the hearing, the hearing officer may hear the testimony of the complainant and the witnesses, who may be examined by the Union representative. Under these circumstances, the hearing officer may make a decision regarding the merits of the PSR in the absence of the Operator and/or the Union. The weight given to testimony provided in the absence of the Operator shall be at the discretion of the hearing officer.~~

~~(f) If a PSR is appealed to the grievance procedure, and, if at the completion of the grievance procedure it is determined that the Operator was not responsible for the behavior charged, the PSR shall not be entered into the Operator's record.~~

~~(g) No record shall be made relating to a PSR if the PSR is anonymous.~~

~~(h) The parties agree that it may cause a hardship for some passengers to appear during normal working hours (8:00 a.m. – 5:00 p.m.) for a hearing on a PSR. Therefore, in addition to holding hearings during normal work hours, MUNI may hold PSR hearings beyond normal business hours when required to provide for complainant testimony.~~

~~2(i) Management shall keep a record of the name of the complaining passenger, nature of complaint and date of complaint for a period of 12 months. If a passenger has a record of making complaints against Operators, said record shall be taken into account in evaluating that passenger's complaints. For the purpose of representing an employee in connection with a PSR, the Union may review the record relating to prior complaints by the passenger, if any.~~

~~(j) In reviewing major PSRs, the employee's record of major PSRs over the prior 36 months may be considered.~~

~~(k) PSR Joint Study MUNI agrees to establish a Joint Union/Management Task Force to review and evaluate the fairness and efficiency of the PSR Process. The Task Force shall prepare a report of its findings and recommendations within 90 days after the Task Force is formed. (See Attachment B).~~

Section 23.5 Lateness and Absence Without Leave (AWOL) Program

~~It is jointly recognized by MUNI and TWU that the most effective approach to the lateness and Absence Without Leave (AWOL) problem is to prevent them from happening. Such an approach can most effectively be introduced by managerial behavior dealing with Operators as individuals rather than merely applying formulas of punishment for behavior. The Executive Director/CEO or his/her designee recognizes that substantial training of managers in managing would benefit the department.~~

~~The steps needed to affect change will take more time than is available in the present negotiations. A joint committee is hereby established to develop a new lateness and Absence Without Leave (AWOL) Prevention Program. While the steps to achieve the new program are not clear, the following are agreed to be part of the program:~~

~~(a) Statistics will be maintained focusing on individuals and individual behavior. The Executive Director/CEO or his/her designee recognizes that attention by~~

~~managers to preventing lateness and Absence Without Leave (AWOL) would benefit the department.~~

~~(b) If an Operator reports late for duty without approval but does report and takes a scheduled non-overtime run, such late reports will be tracked and recorded on a rolling five month period with the disciplinary procedures up to the following:~~

- ~~i. First violation within a five (5) month period – oral warning~~
- ~~ii. Second violation within a five (5) month period – written warning of suspension~~
- ~~iii. Third violation within a five (5) month period – up to five 5 day suspension~~
- ~~iv. Fourth violation within a five (5) month period – up to ten 10 day suspension~~
- ~~v. Fifth violation within a five (5) month period – up to termination~~

~~(c) When an Operator fails to report for duty, and does not receive approval, the absence will be defined as a Absence Without Leave (AWOL) and will be tracked and recorded on a rolling eight (8) month period with the disciplinary procedures up to the following:~~

- ~~i. First violation within an eight (8) month period – Discipline up to a two (2) day suspension~~
- ~~ii. Second violation within an eight (8) month period – Discipline up to a ten (10) day suspension~~
- ~~iii. Third or further violation within an eight (8) month period – Discipline up to termination.~~

~~(d) The Joint Committee will explore the possibility of developing a point system in lieu of suspensions for lateness and Absence Without Leave (AWOL). If lateness and Absence Without Leave (AWOL) are not reduced, thereby avoiding points, discharge will result. This system, when introduced, will result in substantial savings because overtime working will be reduced. The savings can be used to introduce an incentive program for the great majority of Operators who are not late or Absence Without Leave (AWOL).~~

~~(e) The Joint Committee will work together to identify the best methods to bring MUNI to full staffing as approved in the budget.~~

~~279.281. The Committee shall meet and report back no later than December 1, 2000. Absent an agreement on a new policy, the provisions of 'b' above will be implemented on 12/29/2000.~~

Section 23.6 Accidents

Memorandum of Understanding Between
Transport Workers Union, Local 250-A (9163) and Municipal Transportation Agency
July 1, 2011 – June 30, 2014

~~On the occurrence of an accident, the Division Safety Instructor shall review and determine the category into which the accident falls and whether the accident was "avoidable" or "unavoidable".~~

~~Accidents are divided into two categories:~~

~~Group (a): Serious or major accidents, accidents involving serious injuries and accidents involving a violation of traffic laws or MUNI safety rules. Examples of Group "a" accidents are attached as Appendix F.~~

~~Group (b): All other accidents.~~

~~An Operator involved in a Group (a) accident who, after proper investigation, is charged by his Division Manager with that accident may appeal that decision to the Accident Review Board ("ARB"). This appeal must be made in writing within nine business days of being charged. The ARB will determine if the Operator contributed to the cause of the accident.~~

~~An Operator involved in a Group (b) accident which is determined to be avoidable by the Division Safety Instructor will be referred to the training department for needed training. The Operator may appeal an avoidable determination to the ARB. This appeal must be made in writing within nine (9) business days of such determination by the Division Safety Instructor~~

~~All hearings by the ARB shall be completed within 20 business days of the date the appeal is filed.~~

~~The ARB shall consist of 3 members. One selected by the Union, one selected by MUNI management, and an independent neutral. The independent neutral will be paid equally by both parties. The neutral will be selected from a list to be agreed upon by both the Union and MUNI management.~~

~~Should any member of the panel above become unavailable during the life of the MOU, replacement members may be selected. Such individuals shall have transit investigation experience, and may include senior safety officers of major public transit systems and safety oversight agencies.~~

~~The ARB will be supplied with all documents relevant to the case and may call for the presence of any relevant witnesses requested by the parties. All testimony before the ARB will be sworn and only information relevant to the facts of the accident will be admissible. Nothing in this section shall preclude any party (the SFMTA, the Union, and/or the Employee) from obtaining its own representation, provided that each party provides notice and bears its own costs and fees. Upon the request of any party, the hearing may be transcribed, provided that the requesting party shall pay for the cost of the court reporter. Each party shall bear its own costs for copies of the transcript.~~

~~The fact that a claim has been settled, and the amount of the settlement shall not be considered in determining fault for an accident.~~

~~If, after a hearing, the ARB determines that the Operator contributed to the cause of the accident, any appeal of discipline relating to the accident shall be initiated at Step 3. The only issue that may be raised in the grievance procedure is the extent of the discipline appropriate in the case.~~

~~The provisions of the MOU dealing with accidents may be reopened as of January 1, 2002 by either party to resolve any problems with the above procedures.~~

~~The timelines of the above procedure shall be mandatory, and may be waived only in exceptional cases by mutual agreement. Failure by the SFMTA to meet the timelines set forth above shall render any discipline based upon that accident null and void. Failure by the union or the employee to meet the above timelines shall waive any challenge by the employee or union to the discipline imposed.~~

~~Within sixty (60) days of approval of this MOU by the SFMTA Board, the parties agree to meet and confer over revisions to General Bulletin 85-10.~~

Section 23.7 Loss of Funds:

~~Pursuant to Administrative Code Sections 10.25.1 through 10.25.9, no Operator shall be charged for losses of funds or equipment in his/her possession, belonging to the SFMTA, resulting from petty theft, robbery or other crime, as proven by the Operator, or resulting from a situation where it is proven by the Operator that no action of the Operator contributed to the loss.~~

Section 23.8 Wrongful Suspensions or Discharges:

~~If it is finally determined that a suspension or discharge is unwarranted, the employee shall be reinstated to his or her former position without loss of seniority; he or she shall be paid wages lost as though he or she had not been suspended or discharged; and no entry shall be made in the employee's personnel record of such suspension or discharge.~~

Section 23.9 Notification to Operators

~~Notification to Operators through Certified Mail will be used for:~~

- ~~a. Step 3 Dismissal/Termination Cases (scheduling and decisions)~~
- ~~b. Civil Service Rule 22 Hearing~~
- ~~c. Arbitration~~

~~Notification of Operators for initial charges or Step 2 scheduling or decision will not be Certified Mail.~~

ARTICLE 24. PAY DAYS

Section 24.1 Paychecks

- 249 ~~It is the intent of the parties hereto that Operators receive the pay they have earned as soon as possible after the work is performed. To the extent that the parties hereto have control over, or can influence the pay arrangements, the parties hereto agree to take steps to achieve the following: At the Operator's option, SFMTA shall prepare and distribute paychecks or direct deposit advice in compliance with applicable federal law and state law.~~
250. a. All paychecks, direct deposit advice or other verification of payment of wages shall be available at the division, to be picked up not later than 12:01 a.m. every other Tuesday.
251. b. All Operators receiving Workers' Compensation benefits, assault pay, pay due under Section 31.2 of this MOU, or other similar payments from the MUNI shall be paid on the same day as regular Operators.
252. c. The Operator's check stub will show the pay hours in that pay period.
253. d. All hours worked in a given pay period shall be paid when pay is received for that pay period.
254. In addition, during the term of this MOU, the parties shall investigate with the controller the possibility that Operators who will be leaving on a scheduled vacation and who have earned vacation pay shall be able to pick up their vacation pay from the payroll department in advance of leaving for vacation. Operators desiring such advance payment must notify payroll thirty calendar days before the vacation.

Section 24.2 Correcting Payroll Problems

255. The procedures agreed to between TWU and the ~~MUNI~~ SFMTA for other employees represented by TWU for correcting payroll errors shall also apply to transit Operators. The following guidelines will be used to correct the most significant problems first:
256. No check on payday for the pay period: Highest priority. Full check issued as quickly as possible, within four (4) hours if PPSD or departmental payroll division is notified before noon on payday or before noon on any subsequent day. If PPSD or departmental payroll division is notified after noon but before 4:00 p.m., the check will be issued no later than noon of the following day. 308. Check on payday is 10% or more short of total due for pay period: Second priority. Correcting payment to be issued as quickly

as possible, with the goal of three (3) working days from report to payment.

257. Check on payday is less than 10% short of total due for pay period: Third priority. Correcting payment to be issued as quickly as possible, with a goal of within ~~five (5)~~ ten (10) working days from report to payment.

ARTICLE 25. ~~MANAGEMENT RIGHTS~~

~~The SFMTA has the right to exercise all management prerogatives, including but not limited to the right to:~~

- ~~a. fix operating and personnel schedules~~
- ~~b. implement layoffs;~~
- ~~c. determine work loads;~~
- ~~d. arrange transfers;~~
- ~~e. assign personnel; and~~
- ~~f. issue any other directive intended to carry out its managerial responsibility to operate the transit system safely, efficiently and economically.~~

~~All matters pertaining to the management of operations, including the type and kind of service to be rendered to the public and the equipment used, the maintenance of discipline and efficiency, the hiring, promotion and transfer of employees, and their discharge or discipline for proper cause, are the prerogatives of the SFMTA, subject to such limitations as are set forth elsewhere in this Agreement, in the Meyers-Milias-Borwn Act, San Francisco Charter, Civil Service Rules, the San Francisco Administrative Code and other applicable laws and regulations.~~

ARTICLE 26. RETIREMENT SYSTEM PARTICIPATION FOR EMPLOYEE REPRESENTATIVES

258. Employee representatives will be entitled to service credit in the San Francisco Retirement system subject to charter Section 8.519.

ARTICLE 27. GRIEVANCE PROCEDURE

259. The following procedures are adopted by the Parties to provide for the orderly and efficient disposition of grievances. These shall be the sole and exclusive procedures for resolving grievances as defined in this Agreement. The provisions of this article up to and including binding arbitration, are in lieu of and supersede the termination appeal procedures in Civil Service Rule 422.

Section 27.1 Definition of A Grievance

260. A grievance shall be defined as any dispute or allegation by an employee, a group of employees or the Union involving the interpretation or application of this Agreement, including discipline and discharge of employees. The employee, group of employees or the Union shall be referred to as the “grievant.” A grievance does not include the following:

- All civil service rules excluded pursuant to Charter Section A8.409 3.
- The SFMTA’s exercise of management rights.

Section 27.2 Complaints of Discrimination and Sexual Harassment

261. A complaint of discrimination or sexual harassment may, at the option of the employee, group of employees, or a Union, be processed through the grievance and arbitration procedures of this Agreement, or through the applicable Civil Service Rules, the City Administrative Code and federal and state law. Provided, however, if the employee, group of employees, or a Union elects to pursue remedies for discrimination or sexual harassment complaints outside the procedures of the Agreement, it shall constitute a waiver of the right to pursue that complaint through the grievance and arbitration process.

Section 27.3 Time Limits and Extensions

262. The number of working days indicated at each level should be considered as a maximum and every effort should be made to expedite the process.

263. The time limits in this grievance procedure may be extended by mutual agreement of the parties. Any such extension must be confirmed in writing. A “working day” shall be defined as any Monday through Friday, excluding legal holidays granted by the City and County of San Francisco and SFMTA.

264. The parties agree that if either party misses a time limit contained in this Section, the grievance shall progress immediately to the next step of the Grievance Procedure.

Section 27.4 Statement Of A Grievance

265. A grievance shall specify:

- the specific section(s) of this Agreement alleged to have been violated;
- the facts giving rise to the alleged violation; and

- the remedy requested for the alleged violation.

266. The Parties may mutually agree that a grievance may be filed at Step 2 of the grievance procedure. Any such agreement must be confirmed in writing.

Section 27.5 Union Rights In Individual Employee Filed Grievances

267. When an individual employee grievant is not represented by the Union, SFMTA shall send the Union a copy of the grievance. In addition, SFMTA shall notify the Union about grievance meetings scheduled between the grievant and SFMTA, inform the Union about any SFMTA responses to the grievance, and shall allow a Union representative to attend all grievance meetings. The Union shall have the right to present its views on the grievance, in writing, at all steps of the procedure. Only the Union, not individual employee(s) may move a grievance (including a grievance regarding disciplinary action) to Step 3.

Section 27.6 Procedural Steps In Processing a Grievance

Informal Discussion With Immediate Supervisor

268. Except for disciplinary grievances, the grievant shall attempt to resolve grievances by scheduling an informal conference with the grievant's immediate supervisor, before filing a formal written grievance.

Step 1: Formal Written Grievance (Director of Transit's Designee)

269. Within twenty (20) working days of the occurrence of a non-disciplinary event alleged to constitute a grievance or within five (5) working days of a post Skelly meeting notice, the grievant shall present a grievance, in writing, to a manager designated by the Director of Transit. A representative of the Union shall be permitted to be present when the grievance is presented. If the grievant requests a meeting, the Director of Transit's Designee shall schedule a meeting within the five (5) working days and a representative of the Union shall be permitted to be present. grievant and the Union shall be given notice of the meeting and an opportunity to be heard. Within fifteen (15) working days after the meeting, the Manager, Employee & Labor Relations or designee shall file the written decision and deliver a copy of the decision to the grievant and to the Union.

Step 3: (Binding Arbitration Level)

271. The Union may, at any time within seven (7) working days after the mailing of the Step 2 decision, appeal from such decision to an arbitrator by filing written notice of the appeal with the Manager, Employee & Labor Relations or designee and arbitrator, except where the appeal is from a proposed disciplinary dismissal, in which event the appeal must be initiated within one (1) working day of the Step 2 decision. The parties to the binding arbitration are the SFMTA and the Union. Only the Union, not individual employee(s) may move a grievance (including a grievance regarding disciplinary action) to Step 3.
272. The arbitrator shall conduct a hearing on the grievance or grievances submitted to him/her within thirty (30) working days after receipt by him/her, or such reasonable time as the arbitrator's schedule permits.

 - argue case.

275. SFMTA shall be entitled to the same privileges.
276. The arbitrator shall have thirty (30) working days after the close of the hearing to render a decision.
277. The arbitrator's report shall be in writing, shall contain a factual summary of the grievance or grievances, the evidence, and arbitrator's decision, which shall be final and binding. Notice of the arbitrator's final and binding decision shall be mailed promptly to the Operator and the Union.
- The arbitrator shall have no power to add to or subtract from the provisions of this Agreement.
278. The Manager, Employee & Labor Relations or designee, and the Union shall endeavor to agree upon a panel of five arbitrators to serve for the term of this agreement. Should these parties fail to reach such agreement within twenty (20) working days after the execution of this Agreement, then, upon the written request of either party, the State Mediation and Conciliation Service shall send a list of five (5) arbitrators, and the parties shall select from the list by alternately striking arbitrators from the list until one arbitrator remains. The cost of the services of the impartial hearing officer shall be shared equally by the Union and SFMTA.
279. Each party shall bear its own expenses in connection with the grievance procedure, including arbitration. All fees and expenses of the arbitrator and court reporter and report, if any, shall be borne and paid in full and shared equally by the parties.

Section 27.7 Expedited Arbitration Procedures

280. By mutual agreement, the parties may agree to submit any grievance to expedited arbitration. If the parties agree to expedited arbitration, the arbitrator shall be selected from the same panel described in Section 27.7.
281. If the parties elect to submit a grievance to expedited arbitration, closing arguments shall be presented orally, unless the parties agree to submit written briefs. The parties agree that the arbitrator shall issue a bench decision and subsequently provide a written decision memorializing his/her decision provided that the parties, by mutual agreement, may elect to obtain written decision following the parties' submission of written briefs.
282. The arbitrator shall have no power to add to or subtract from the provisions of this Agreement.
283. Nothing contained in this procedure shall be construed to deny to any employee his/her rights under the law or under applicable civil service

rules, regulations and practices, or to diminish the powers and duties of the SFMTA Executive Director/CEO or his/her designee, as prescribed in the Charter of the City and County of San Francisco.

The authorized Grievance Procedure is as follows:

~~(a) A "grievance" is defined to be a complaint on the part of any employee or the Union that there has been, on the part of the Executive Director/CEO or his/her designee of the SFMTA or any of his/her duly authorized subordinates, noncompliance with, or a misinterpretation or misapplication of any working condition, rule or resolution of the SFMTA, which is within its proper jurisdiction, affecting its employees, or that an employee has been recommended for discipline without good cause, or that a disciplinary penalty proposed before invocation of the grievance procedure is not fair and equitable or related to the offense committed, with due regard to the employee's record.~~

~~(b) The Union and the Executive Director/CEO or his/her designee of the SFMTA recognize that disputes should be resolved expeditiously at the lowest possible administrative level.~~

~~(c) Time Limits and Extensions:~~

~~The time limits in the grievance procedure will be strictly adhered to.~~

~~Extensions will be granted only in writing by mutual agreement, and only in exceptional cases.~~

~~If an extension is requested by the Union, the employee shall be "Off the Clock" for the period of the extension and until the next available hearing or meeting date at the appropriate step in the grievance procedure. If the extension is requested by management, the employee shall remain "On the Clock."~~

~~If management fails to meet the time limits at any point in the procedure, the grievance will be granted. If the Union fails to meet the time limits at any point in the procedure, the grievance will be withdrawn.~~

~~(d) Grievances shall be processed and settled in the following manner:~~

~~Step 1: (Division Superintendent Level)~~

~~The aggrieved employee (hereinafter referred to as "grievant,") either orally or in writing, personally, or through the Union, may present a grievance to his/her Division Superintendent at any time within three (3) days after notice of a proposed disciplinary action or, in the case of noncompliance with, or a misinterpretation or misapplication of any~~

A representative of the Union shall be permitted to be present at this discussion. The Division Superintendent to whom the grievant makes this complaint shall comcate the decision in writing to the grievant and to the Union, within two (2) days after receiving the complaint.~~

~~Step 2: (Senior Operations Manager)~~

~~The grievant or the Union may appeal from the decision at step 1 within three (3) days after the step 1 decision. This appeal shall be in writing and shall set out fully the basis of the grievance. The appeal shall be made to the modal Senior Operations Manager. The Senior Operations Manager shall investigate the grievance, hearing from the union representative and grievant if he/she deems it necessary. Within three (3) days of receiving the grievance the Senior Operations Manager shall render his/her written decision, sending it to the Union representative and the grievant. Grievances raised by the Union shall be initiated at Step 2, within the same time limits as prescribed for Step 1.~~

Within seven (7) days after the close of the hearing, the Executive Director/CEO or his/her designee shall file the written decision and deliver a copy thereof to the grievant and to the Union.~~

~~Where the grievance is directed against a proposed disciplinary dismissal, the grievance shall be initiated at Step 3, and must be raised within four (4) days of mailing to the grievant's last known address the notice of intention to file charges for dismissal.~~

~~Step 4: (Arbitration Level)~~

~~The Union or the grievant may, at any time within seven (7) days after the mailing of the Step 3 decision, appeal from such decision to the impartial hearing officer by filing written notice of the appeal with the Executive Director/CEO or his/her designee and impartial hearing officer. except where the appeal is from a proposed disciplinary dismissal, in which event the appeal must be initiated within one (1) day of the Step 3 decision. The impartial hearing officer shall conduct a hearing on the grievance or~~

~~grievances submitted to him/her within ten (10) days after receipt by him/her, except when the grievance involves a proposed disciplinary dismissal, or involves the adverse effect of a schedule on the health or safety of employees, in which event the hearing shall begin within ten (10) calendar days. The hearing officer shall have five (5) days after the close of the hearing to render a decision.~~

~~The hearing officer's report shall contain a factual summary of the grievance or grievances, the evidence, and his/her decision. The SFMTA Executive Director/CEO or his/her designee shall exercise his/her discretion in accepting, modifying or rejecting the recommended decision.~~

~~In computing the time within which any action must be taken under the foregoing procedure, Saturdays, Sundays, and holidays shall not be counted. A grievance may be denied at any level because of failure to adhere to the time limitations.~~

~~By written stipulation of the grievant or the Union and management, any of the foregoing steps may be bypassed, and the matter carried to the next higher step within the time limits for the appeal to the bypassed step.~~

~~Nothing contained in this procedure shall be construed to deny to any employee his/her rights under the law or under applicable civil service rules, regulations and practices, or to diminish the powers and duties of the SFMTA Executive Director/CEO or his/her designee, as prescribed in the Charter of the City and County of San Francisco.~~

~~The SFMTA Executive Director/CEO or his/her designee and the Union shall endeavor to agree upon an impartial hearing officer to serve for an agreed period of time. Should these parties fail to reach such agreement within twenty (20) days after the execution of this agreement, then, upon the written request of either party, the American Arbitration Association shall have the authority to appoint an impartial hearing officer pursuant to its rules, who shall serve for an agreed period of time. The cost of the services of the impartial hearing officer shall be shared equally by the Union and , except that if the grievant reaches Step 4 without Union participation, the cost shall be shared by the grievant and SFMTA. In the event the grievant does not desire to share in the cost, Step 4 shall be bypassed.~~

ARTICLE 28. NO DISCRIMINATION

Section 28.1 Discrimination Prohibited

APPENDIX C - PRIVATIZATION

August 1, 1986 - PRIVATIZATION

This section acknowledges the Public Utilities Commission policy regarding privatization of Municipal Railway transit service adopted in Resolution 86-0103 March 25, 1986 is as follows:

The Public Utilities Commission reaffirms its commitment to maintain the most cost effective means of providing transportation and transportation related services, specifically to include fair and adequate consideration of the private enterprise providers' role therein.

The Public Utilities Commission continues the policy of seeking and considering the widest possible range of public input and comment, especially from private sector providers, in the planning and decision making process.

In furtherance of these goals, the Public Utilities Commission hereby directs the staff to:

- a. Further develop a model of the "full costs" of transportation and transportation related services now being provided by the Municipal Railway in order to provide an improved method of making valid cost comparisons between the costs of Municipal Railway provided services and the costs of providing these services through private sector providers who have the capability of doing so.
- b. Review the process of soliciting private sector input into the planning and decision making of the Public Utilities Commission with respect to the Municipal Railway and to eliminate any constraints to such input as may exist.
- c. Establish, with the approval of the commission, a fair and effective means of resolving the complaints of any private sector provider who believes that private sector opportunities to reduce cost while maintaining service levels and fare structures have not been fairly or adequately considered by the Public Utilities Commission or staff.

The Commission has at various times executed 13 (c) agreements in connection with UMTA grants. The Commission will adhere to the terms of such agreements, including terms relating to the rights of employees and their Union, which may be involved in the process of considering the privatization of Municipal Railway transit service. Local 250A will be informed whenever an issue involving 13 (c) agreements of which it is a party is under active review.

ATTACHMENT A – Basic Wage Rates 2004-2005

Basic Wage Rates for 2004-2005

~~San Francisco Charter Section A8.404(b) provides that the base wage rate for Transit Operators shall not be in excess of the average of the two highest wage schedules for comparable jurisdictions. For fiscal years 2004-2005 and 2005-2006, the two highest wage schedules for comparable jurisdictions are projected to be Santa Clara Valley Transportation Authority (“SCVTA”) and Massachusetts Bay Transportation Authority (“MBTA”).~~

~~On August 5, 2003, the Municipal Transportation Agency (“SFMTA”) certified the two highest wage schedules for comparable employees in effect as of July 1, 2003. The SCVTA was one of the two highest comparable transit agencies. At that time, the SCVTA had negotiated a labor agreement with its transit Operator union that required an additional 5% wage increase (or \$1.26) on February 2, 2004. The increase would have set the hourly wage rate at \$26.10 per hour. Based on the recalculated average of the two highest wage schedules, including this scheduled increase, the SFMTA certified that its transit Operator wages would be increased from \$24.815 to \$25.445 on February 2, 2004. This amounts to a 2.54% wage increase.~~

~~On January 8, 2004, the General Manager of the SCVTA notified the SCVTA Board of Directors that the terms and conditions of the transit Operators’ labor agreement had been amended. The labor agreement was opened up for re-negotiation because of fiscal shortfalls facing the agency. Because the SCVTA re-negotiated its labor agreement, SCVTA transit Operators received only a 1.25% wage increase on February 2, 2004, instead of the expected 5% increase.~~

~~As a result of SCVTA’s re-negotiated labor agreement, the average of the two highest wage schedules for comparable jurisdictions was reduced as follows:~~

January 31, 2004	\$24.97/hour
July 1, 2004	\$25.34/hour
September 1, 2004	\$25.66/hour
November 1, 2004	\$25.825/hour
July 1, 2005	\$26.335/hour
November 1, 2005	\$26.50/hour

~~Since January 31, 2004, the base wage rate for Transit Operators has been \$25.445/hour. As a result of SCVTA’s contract re-negotiations, this base wage rate exceeds the revised “average wage rate” of \$24.97/hour for the period January 31, 2004 through June 30, 2004, and will exceed the revised “average wage rate” of \$25.34/hour for the period July 1, 2004 through August 31, 2004. On September 1, 2004, the average wage rate of \$25.66/hour will exceed the current \$25.445/hour wage rate paid to Transit Operators.~~

ATTACHMENT A

~~In a letter dated April 13, 2004, the SFMTA informed the union of the change in the "average wage rate". Based on discussions with the union at that time, the SFMTA decided not to address the matter and chose to defer further discussions until the FY 2004-2005 contract negotiations. Now, in recognition of the Transport Workers Union, Local 250's request that the SFMTA not reduce transit Operator wages from \$25.445 to \$25.34 on July 1, 2004, and the SFMTA's desire to recoup any wage payments in excess of the average wage rate for the period from January 1, 2004 through August 31, 2004, the parties have entered into the following agreement.~~

~~Effective immediately, Transit Operators and Trainees shall not receive any further wage increases during the period from January 31, 2004 through April 22, 2005, so that the SFMTA can recoup the approximate \$1,360,847.00 in total excess wage payments made to Transit Operators and Trainees for the period from January 31, 2004 through August 31, 2004. The next wage increase shall become effective on April 23, 2005, based on the "average wage rate" of the two highest comparable jurisdictions then in effect, and shall be paid during the first payroll period following April 22, 2005. Wage increases after April 22, 2005 shall be made according to the provisions of Section 4.1 Basic Wage Rates of this agreement.~~
